Implementation of the Suspension of Direct
Access Pursuant to Assembly Bill 1X and
Decision 01-09-060.

Rulemaking 02-01-011
(Filed January 9, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING
EXTENDING DUE DATE FOR REPORT**

By letter to the Commission's Executive Director dated October 19, 2004, Southern California Edison (SCE) requested an extension of time for participants to file a report summarizing the results of the Rule 22 Working Group meeting held on October 13, 2004.

Pursuant to the Administrative Law Judge's Ruling Scheduling Rule 22 Working Group Meeting, dated September 29, 2004 (ALJ Ruling), an October 13 Rule 22 Working Group meeting was held to develop an appropriate affidavit process to implement a portion of Decision 04-07-025. The ALJ Ruling also ruled that a report be submitted to the assigned ALJ within five business days after conclusion of the meeting (i.e., October 20), summarizing areas of consensus and/or disagreement for further Commission action.

SCE states that because of the complexity of the issues and different positions discussed at the meeting and the need for input on the report by the various participants, participants will require additional time beyond October 20 to prepare and submit the report. The Rule 22 Working Group participants therefore respectfully request an extension of time to Thursday, October 28, 2004, to submit the report.

IT IS RULED that the request for an extension is hereby granted. The due date for the report on the results of the Rule 22 Working Group meeting is hereby extended to October 28, 2004.

Dated October 19, 2004, at San Francisco, California.
